**MISSION SPOTLIGHT**

For the month of July, we will spotlight on **The ARK** in Athens. The Ark helps Athens-Clarke County area residents who are unable to make ends meet due to an unexpected job loss (*through no fault or decision of their own*), reductions of hours, or unexpected medical or auto expense puts them in danger of being evicted and /or losing utilities.

The ARK has strict **eligibility guidelines** for various services which may include financial assistance with rent or mortgage; electricity, gas, or water bills; medical bills; emergency prescriptions; and/or transportation (*gasoline, bus fees, or a bicycle*). They also provide qualified applicants with financial education, budget counseling, grants, and/or food bank referrals.

Currently, there are 29 churches in the Athens area, including Crossroads Church, that help support this important mission.
