### **MISSIONS SPOTLIGHT**

Each week, we will share something about the **Global Hope Network International**, our mission spotlight for this month. Doug Emig is our missionary contact. Global Hope Network International (GHNI) is based in Geneva, Switzerland. It's an international humanitarian aid organization that provides both temporary relief programs as well as long-term sustainability education. They look to provide support to unreached people in Africa, the Middle East, and Asia. Internationally and locally, Doug and his teams collaborate in helping the poorest of the poor become sustaining and human in the fullest sense.
