

It's Time to Register for...

LIFE GROUPS

life's better together

When you join a Life Group, you are part of a small group family! You live life together, share good times & the bad times of life together, and grow together in your relationship with Jesus. You get to choose which life group to join. Life groups can meet in homes, restaurants, coffee shops, or wherever the group decides!

Use the camera on your phone to scan this code: then check out the groups offered and choose one that best fits you! Your life group leader will contact you by the middle of September to let you know when and where your first meeting will be held. Life is better together!!! Register today!
